

THE 2019 ANNUAL MEETING

The Southern Psychiatric Association and Kentucky Psychiatric Medical Association invite you to join us at the Brown Hotel in Louisville, Kentucky, for an incredible scientific session program, networking, and social events designed for you to connect with colleagues, increase your knowledge, and earn CMEs in a fun and relaxing environment.

ACCREDITATION STATEMENT:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the American Psychiatric Association (APA) and the Kentucky Psychiatric Medical Association (KPMA).

The APA is accredited by the ACCME to provide continuing medical education for physicians. The APA designates this live activity for a maximum of 12.0 AMA PRA Category 1 Credit(s).[™] Physicians should claim only the credit commensurate with the extent of their participation in the activity.

PROGRAM OBJECTIVES

At the conclusion of the activity, participants should be able to:

Describe empirically supported theories regarding the development and maintenance of suicidal ideation;

Review the latest research on the safety and efficacy of rTMS with depressed adolescents;

Review the prevalence of anxiety in youth;

Understand the value of suicide safety planning;

Learn about the clinical characteristics of behavioral addictions;

Understand the models for behavioral health integration;

Understand the training and roles of various providers on a collaborative care team;

Discuss important evidence-based early interventions to mitigate adverse mental health effects of disasters;

Identify benefits and risks for psychiatric treatment during three trimesters of pregnancy, postpartum;

Describe currently available computer programs and mobile apps for depression and other mental disorders;

Review the historical context to conversion disorder (aka: Functional Neurological Symptom Disorder), focusing primarily on diagnosis of Psychogenic Nonepileptic Seizures (PNES);

Understand how the medical professional communities and their larger societies are either supporting or preventing assertions of individual physicians' conscientious objections in clinical settings;

Review the effects of cannabis exposure on the developing brain;

Understand the difficulties in applying modern criterion-based diagnosis to historical figures.
